Independence Day,

The Bloomfield Cycling and Ath letic Association, acting under the direction of the Township Committee have well under way arrangements for a suitable celebration of the coming Fourth of July

The main feature will be a parade. for what would a Fourth of July celebration be without a parade of some kind? Last year it was a bicycle parade, and it was so successful that the Committee dec ded to repeat it In the evening there will be a band concert and a fine display of

fireworks on the Park. As the Township has no authority to expend public money for fireworks, etc., it will be necessary to provide the money by private subscriptions, and a circular has accordingly been issued by the joint committee, asking that \$350 or more be raised. The business men have already paid in nearly half the amount requiredbe patriotic and send in to the treasurer, Alderman Haskell, his contribu tion to the fund. Mr. Haskell, it may be noted, deviates from the custom of many Fourth of July Committees by making a detailed report of the re-

ceipts and expenditures. The procession of wheels will be formed at Liberty street, right rest ing on Broad street. North on Broad, Franklin avenue, Bay avenue, Broad, Maple, Spruce, Belleville avenue, Orchard, Montgomery ave, Franklin St. Washington avenue, Bloomfield avenue, Park avenue, Broad and Liberty Prizes will be given for the best decorated wheels and grotesque cos-

The subject of tobacco and narcotics coming under the educational department of the Woman's Christian Temperance Union work, they felt the necessity of using their influence in this direction to create a senti-

ment among the boys favorable to the object of Anti-Cigarette organization. As it is among the boys entirely and separate from the W. C. T. U. work we know the board of education and the teachers of our schools SEAL will give it their helpful co-operation.

Early Closing in Newark. The move for early closing on Saturlays has become quite general in Newark, and the jewelry stores have now agreed to give their clerks the benefit of the half holiday. Chas, Hartdegen & Co., the enterprising firm at 688 Broad near W. Park Street, announce that they will remain open on Friday evenings and close at one o'clock on Saturdays during July and August. The other jewelry houses have agreed to follow suit. As Mr. Hartdegen made this statement to a RECORD reporter he said with a smile that it still gave him time during the balance of the week to show the greatest assortment of jewelry in New Jersey.
